RE: Professional Development Opportunity

The Manitoba Student Leadership Association will be hosting its annual fly-in professional development session on Monday, March 4, 2019 at St. John's Ravenscourt's School in Winnipeg (400 South Drive). This session will run from 9:00 a.m. until 3:00 p.m. and is open to all MSLA members and non-members.

The focus of this year's professional development session will be leadership development, for ourselves and for our students.

We are honoured to welcome Rebecca Powell back to our session this year. Rebecca Powell is a leadership consultant and educator. She has been working with youth for over 15 years and is currently the Director of Leadership at St. John's Ravenscourt School. She also has a leadership consulting firm, Empowell. Rebecca completed her M.A. in leadership at Royals Roads University and is now dedicating her career to igniting the leadership potential within her students and clients.

The cost of this session will be \$25 for MSLA members and \$35 for non-members; lunch will be provided. Registration forms and money are due no later than **Friday, February 22, 2019.**

We look forward to sharing this excellent professional development opportunity with you.

A handwritten signature in blue ink, appearing to read "J. Harrison", with a long horizontal line extending to the right.

Jamie Harrison

MSLA President
